INTRODUCTION

The *Illinois Register* is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1985, ch. 127, pars. 1001 et seq., as amended).

DEPARTMENT OF CENTRAL MANAGEMENT SERVICES

NOTICE OF PROPOSED AMENDMENTS

- 1) Heading of the Part: Conditions of Employment
- 2) Code Citation: 80 Ill. Adm. Code 303
- 3) Section number: Proposed Action:
303.30 Amend
- 4) Statutory Authority: Ill. Rev. Stat. 1987, ch. 127, par. 63b101, et seq.
- 5) A Complete Description of the Subjects and Issues Involved:

Currently, Section 303.30 of the Illinois Adm. Code establishes a grievance committee panel to review grievances as defined in Section 303.10. The Director of Central Management Services is responsible for appointing 25 State employees and other non-State employees with experience and knowledge in personnel administration to the panel. The Director then appoints three members from this panel to form a committee to hear grievances.

The current system has not worked as effectively as it should. There is a backlog of grievances, due in part to the difficulty of convening the grievance committee. The Department has had trouble contacting panel members who are not State employees and coordinating schedules so that the committee can be convened on a regular basis.

In order to eliminate the backlog and streamline the grievance process, the Department is proposing to eliminate the grievance committee panel. In its place, the Department is proposing a less cumbersome procedure which should accomplish the same purpose, especially since the grievances do not involve discharges or the more serious disciplinary actions. Under the proposed procedure, grievances would continue to be heard by a panel, but the panel would consist of Department employees with experience and knowledge in personnel administration and employee relations. Any Department employee with these qualifications could serve on a panel. Also, similar to the present rule, not more than one committee member could be from the same Bureau and, if the grievant is a CMS employee, none of the committee members could be from the same bureau as the grievant.

- 6) Will this proposed amendment replace an emergency rule currently in effect? No.
- 7) Does this rulemaking contain an automatic repeal date? No.
- 8) Does this proposed amendment contain incorporations by reference? No.
- 9) Are there any other proposed amendments pending on this Part? No.

Section 1590.80 Falconry Permits - Class and Types

- a) Apprentice Class. Regardless of age, a new Illinois applicant must serve an apprenticeship under a general or master class permittee for at least two consecutive years and may possess only one raptor - either a red-tailed hawk, or a kestrel or red-shouldered hawk obtained from out of state or from another falconer. An apprentice is limited to one replacement raptor per year. Sponsors may not have more than three apprentices. An applicant may be exempted from this requirement if the applicant has proof of at least two years of licensed experience in the care of raptors and hunting and trapping techniques and approval is granted by the Department.

- b) General Class. After two years of licensed experience and upon written approval by the Department, the apprentice shall become a general class permittee. A general class permittee shall possess no more than two raptors, and may not obtain more than one replacement raptor during the permit year (July 1 - June 30). A general class permittee shall not take, transport, or possess any species or subspecies listed as endangered or threatened by the U.S. Fish and Wildlife Service (50 CFR 17, effective September 30, 1985) (no incorporation in this Part includes later amendments or editions) and the Illinois Endangered Species Protection Board (17 Ill. Adm. Code 1010).

- c) Master Class. After five years experience at the general class level, a permittee shall become a master class permittee. A master class permittee shall possess no more than three raptors, and may not obtain more than two replacement raptors during the permit year (July 1 - June 30). A master class licensee shall not take, transport, or possess any species or subspecies listed as endangered by the U.S. Fish and Wildlife Service or the Illinois Endangered Species Protection Board. A master class licensee shall not take, transport, or possess as part of the three bird limit more than one raptor listed as threatened by the U.S. Fish and Wildlife Service and then only in accordance with prior written approval by the Department and the U.S. Fish and Wildlife Service (50 CFR 17, effective September 30, 1985). Only Master Class can have golden eagles under guidelines set by the U.S. Fish and Wildlife Service (50 CFR 17, effective September 30, 1985).

- 1) Bald eagles, golden eagles, ospreys, all owls except the great-horned owl, species or subspecies prohibited by Section 2.4 of the Wildlife Code (Ill. Rev. Stat. 1987, ch. 61, par. 2.4) and any species or subspecies considered endangered or restricted due to a similarly-

Code 1010) and not by the U.S. Fish and Wildlife Service (50 CFR, effective September 30, 1985) may not be captured in Illinois for falconry purposes. This prohibition shall not prevent a licensee from legally obtaining a bird in another state or country and bringing that bird into Illinois provided the applicable permits are obtained.

- d) Captive Propagation. Raptors held for captive propagation purposes may be held only under permits from both the U.S. Fish and Wildlife Service and the Department. The fee for a captive propagation permit is thirty (\$30) dollars per year and must be renewed annually. A holder of an Illinois captive propagation permit must also be a holder of an Illinois falconry permit. An Illinois captive propagation permit holder may transfer birds held under the authority of the propagation permit to a falconry permittee provided the permittee meets Federal and Department requirements for receiving and holding such birds pursuant to federal regulations (50 CFR 21.27, effective January 4, 1974). Nothing in this Part shall prevent a permittee from holding individual birds under the authority of both the falconry permit and the captive propagation permit at the same time within the numerical limits for the falconry permit.

- 2) Raptors may be loaned for breeding purposes in accordance with Section 1590.100 of this Part.

SUBPART C: TRANSACTIONS SUBJECT TO REVIEW

Section 1130.310 Transactions Subject to Review

- a) A permit shall be obtained prior to the establishment, construction or modification of a health care facility which:

- 1) requires a total capital expenditure in excess of the capital expenditure minimum. All capital expenditure minimums shall be annually adjusted to reflect the increase in construction costs due to inflation. On October first of each year, the minimums will be adjusted for inflation. The basis for such adjustment for major medical equipment shall be the latest annual inflation rate as reflected in the Producer's Price Index as calculated in the DRI Health Care Costs section on Special Machinery and Equipment. The basis for the adjustment to capital expenditures other than major medical equipment shall be the latest annual inflation rate as reflected in the medical construction component of the Means Cost Data. The revised minimums shall be published as an appendix to this Chapter; or

- 2) substantially changes the scope or changes the functional operation of the facility by construction or modification or by acquisition of new equipment or alteration of existing equipment. Substantial changes in scope or functional operation of the facility are the establishment or discontinuation of a category of service (as defined in 77 Ill. Adm. Code 1110). Categories of service which have not been utilized for their intended purpose for a period of six months or more are considered to be discontinued; or

- 3) results in the establishment of a health care facility other than a health maintenance organization; or

- 4) changes the bed capacity of a health care facility by increasing or decreasing the total number of beds or by distributing beds among various categories of service or by relocating beds from one physical facility or site to another by more than ten beds or more than ten percent of total bed capacity as defined by the State Board, whichever is less, over a two year period (pursuant to 77 Ill. unless an exemption has been granted in accordance with the provisions of Section 1130.540. Categories of service which have not been utilized for their intended purpose for a period of six months or more are considered to be discontinued; or

- 6) involves a change of ownership as defined in Section 1130.140 unless an exemption has been granted in accordance with the provisions of Section 1130.520.

- b) A permit must be obtained prior to the acquisition of major medical equipment unless an exemption has been granted in accordance with the provisions of Section 1130.510.

- c) Components of construction or modification which are interdependent must be grouped into one permit application. Interdependence occurs when components of construction or modification are architecturally and/or programmatically interrelated to the extent that undertaking one or more of the components compels the other components to be undertaken. In addition when components of construction or modification are to be undertaken by means of a single construction contract, those components must be grouped into an application for permit. Projects involving acquisition of equipment which are linked with construction for the provision of a service cannot be segmented. A health service linkage exists when all components must be present for a service to be operational, or when financing is obtained at one time for a series of related components. Computer software, for example, cannot be separated from the equipment needed to run the program.

- d) Examples of projects which constitute construction or modification of a health care facility and require a permit include:

- 1) Projects located within a licensed or certified health care facility;

- 2) Projects which result in a health care facility:

- A) Billing for services provided by the proposed project,
- B) Capitalizing any portion of the proposed project,
- C) Receiving reimbursement for services provided by the proposed project, or,
- D) Receiving recognition as the provider of the proposed service by third party payors;

- 3) Projects which are staffed or operated by the health care facility;
- 4) Projects which are otherwise of, by, through or on behalf of a health care facility.

SUBPART D: TRANSACTIONS WHICH ARE EXEMPT FROM REVIEW

Section 1130.410 Transactions Which Are Exempt from Review

The following proposed transactions are not subject to review if an exemption is granted by the State Board:

- a) the acquisition of major medical equipment which will not be owned by, or located in a health care facility or be used to provide services to an inpatient of a health care facility.
- b) the change of ownership of an existing health care facility.
- c) the establishment or discontinuation of a health maintenance organization.
- d) the discontinuation of an existing health care facility (other than a health maintenance organization) or of a category of service when that discontinuation is the result of

- 1) revocation of or denial of license renewal by a State or local regulatory agency;
- 2) for facilities not subject to licensure, the loss of certification; or
- 3) discontinuation action taken by the State Board.

SUBPART E: PROCEDURAL REQUIREMENTS FOR EXEMPTIONS

Section 1130.510 Requirements for Exemptions Involving the Acquisition of Major Medical Equipment

- a) Submission of Application for Exemption

Prior to any person acquiring major medical equipment which will not be owned by or located in a health care facility, the person must submit an application for exemption to the State Board, submit the required application processing fee pursuant to Part 1190, and receive approval from the State Board.

- b) Application for Exemption Information

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

NOTICE OF PROPOSED RULES

The application for exemption shall include the following information:

- 1) The name and address of the person proposing to acquire the equipment and the proposed operating entity;
- 2) Identification of the equipment to be acquired including model number, manufacturer and equipment specifications;
- 3) The address of the premises where the equipment will be installed or used; and
- 4) Copies of any existing or proposed lease or purchase agreements or a proof of ownership regarding the premises where the equipment will be installed;
- 5) A signed certification that the equipment will not be used to provide services to inpatients of any health care facility;
- 6) A signed certification that use of the proposed equipment will not result in the inpatient admission of patients following outpatient treatment except in emergency conditions.

- c) AGENCY NOTE: A permit is required for the acquisition of major medical equipment which will be owned by, located in, or utilized to serve inpatients of a health care facility. Equipment acquired by exemption can be used on an emergency basis to provide care that results in the admission of patients into an inpatient unit of a health care facility. A physician licensed to practice medicine in all of its branches must verify that such inpatient admissions were caused by an emergency.

Section 1130.520 Requirements for Exemptions Involving to the Change of Ownership of a Health Care Facility Other Than a Health Maintenance Organization

- a) Submission of Application for Exemption

Prior to any person acquiring or entering into a contract to acquire an existing health care facility other than a health maintenance organization, the person must submit an application for exemption to the State Board, submit the required application processing fee and receive approval from the State Board.

- b) Application for Exemption Information

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

NOTICE OF PROPOSED RULES

The application for exemption shall include the following:

- 1) the name and address of the person proposing to acquire the facility;
- 2) the name and location of the existing health care facility to be acquired;
- 3) a signed certification that the categories of service and number of beds as reflected in the Inventory of Health Care Facilities maintained by the Agency will not substantially change (per definition in 1130.140);
- 4) documents which detail conditions and terms of any lease or purchase arrangement;
- 5) financial information, including the latest audited financial statements of the applicant and a statement by the applicant specifying the source of funds which will be used to acquire the facility;
- 6) the anticipated acquisition price; and
- 7) proof of publication of the required legal notice of the change of ownership (as required by Section 1130.520 c).
- 8) a statement acknowledging that the change of ownership will void any permits for projects which have not been completed.

c) Legal Notice Requirements

Any person requesting an exemption for a change of ownership must publish a legal notice in a newspaper of general circulation in the community in which the facility is located. This legal notice must provide the following:

- 1) the name and address of the facility for which the exemption is sought;

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

NOTICE OF PROPOSED RULES

- 5) a name, title, address and phone number of an individual from whom interested parties may obtain information on the proposed transaction.
- d) A permit cannot be transferred. In the event of an acquisition of a health care facility prior to the completion of an approved project, it is the responsibility of the permit holder to seek State Board approval to alter the permit to reflect only that construction or modification which will be completed at the time ownership of the facility transfers to another person. Failure to obtain an alteration approval will result in the totality of the permit being considered abandoned. Any person requesting an exemption for a change of ownership of a health care facility for which an outstanding permit exists must in the case where a permit has been altered to avoid abandonment, submit documentation as to the scope and costs associated with completing the project as originally proposed. The Agency shall advise the applicant for exemption if a permit is required to continue with the project.

Section 1130.530 Requirements for Exemptions Involving Health Maintenance Organizations

The change of ownership or establishment or discontinuation of a health maintenance organization is exempt from review and no application for exemption or fee is required.

Section 1130.540 Requirements for Exemptions Involving Involuntary Discontinuation

Facilities which have involuntarily discontinued, in whole or in part, as the result of license revocation or loss of certification are exempt from review upon receipt of evidence of such discontinuation by the State Board and shall not be required to submit an application for exemption or fee.

Section 1130.550 Agency Processing of an Application for Exemption

- a) Application for Exemption Form
Requests for exemptions must be made on an application for exemption form which may be obtained from the Agency.

b) Completeness

The Agency shall review an application for exemption to determine whether all required information has been submitted. If additional information is required, the applicant shall be allowed 30 days from the date that notification is received to provide the additional information. Additional information must be received.

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

by the Agency within 30 days of the date the notification was received. Failure to submit the requested additional information shall result in the application for exemption being voided with the loss of all fees paid.

- c) AGENCY NOTE: It is the responsibility of the applicant to assure that the Agency is in receipt of the additional information within the prescribed time frame.

Section 1130.560 State Board Action

- a) The approval of an application for exemption by the State Board requires seven affirmative votes.
- b) The State Board shall evaluate the application for exemption and either issue an exemption or advise the applicant in writing that the application is denied and explain the reasons for the denial. Exemptions will not be issued for projects which have failed to meet the requirements of this Part. An exemption for a change of ownership shall not be granted for a project to establish a health care facility which has received a permit but which has not been completed.

Section 1130.570 Validity of an Exemption

- a) An exemption shall be valid for 12 months. The exemption holder shall notify the Agency within 60 days of the date a change of ownership is effected through certification or issuance of a license or within 60 days of the date of obligation pursuant to Section 1130.140 (r) for the acquisition of major medical equipment. Failure to provide the required notification shall subject the exemption holder to the sanctions provided under the Act.

- b) If an exemption is not obtained in accordance with the provisions of this Part, then a permit must be obtained.

- c) Any person failing to obtain an exemption or permit when required shall be subject to the sanctions provided under the Act.

its findings to the State Board at the next scheduled meeting.

Section 1130.660 Approval of an Application

The approval of an application and issuance of a permit by the State Board requires seven affirmative votes. The State Board shall consider the application and any supplemental information or modification submitted by the applicant, the Agency report(s), the public hearing testimony, if any, and other information coming before it in making its determination whether to approve the project. The failure of a project to meet one or more review criteria, as set forth in 77 Ill. Adm. Code 1110, 1230 or 1240 shall not prohibit the issuance of a permit. A permit is effective on the date of State Board authorization.

Section 1130.670 Notice of Intent-to-Deny an Application

a) Issuance of Notice of Intent-to-Deny

If an application for permit fails to receive seven affirmative votes upon the initial State Board consideration, the applicant shall be issued a Notice of Intent-to-Deny the application for permit. The Notice of Intent-to-Deny shall be sent to the applicant by certified mail and shall afford the applicant an opportunity to appear before the State Board and an opportunity to submit additional information in support of the project.

b) Applicant's Response

The applicant shall notify the State Board in writing and within ten working days of receipt of the Notice of Intent-to-Deny, whether it intends to:

- 1) appear before the State Board; and/or
- 2) submit additional information.

- 3) AGENCY NOTE: It is the responsibility of the applicant to assure that the State Board is in receipt of the response within the ten day prescribed time frame.

c) Action Following Notice of Intent-to-Deny

- 1) If the applicant waives the right to appear before the State Board or if a written response is not received within ten working days of receipt of the notice of opportunity to appear, then the application shall be considered withdrawn.
- 2) If the applicant indicates that no additional information

will be submitted, the State Board shall take action on the application at its next meeting.

- 3) If the applicant indicates that additional documentation shall be submitted, the applicant shall be afforded a period of 60 days from the date of the State Board's decision of Notice of Intent-to-Deny to submit such material. No material will be accepted by the Agency after the 60 day period expires. The Agency shall be allowed up to 60 days following the receipt of all material to review the material and issue a supplemental report. The project shall be considered at the next regularly scheduled State Board meeting following completion of the Agency review.

d) Deferrals

A project which has received a Notice of Intent-to-Deny and has been scheduled for State Board consideration can be deferred only by the applicant and only until the next scheduled State Board meeting.

e) The date of obligation is

4) AGENCY NOTE: It is the responsibility of the permit holder to assure that the Executive Secretary is in receipt of documents verifying obligation within the required time frames.

f) Permits for projects which have not been obligated prior to the expiration date of the permit shall be considered expired and the project abandoned.

Section 1130.730 Extension of the Obligation Period

- a) The State Board may grant the permit holder no more than two

extensions of time to obligate the project. An extension shall not exceed six months and shall commence on the expiration date of the permit (i.e., 12 or 18 months from the date of State Board authorization pursuant to Section 1130.710). f) AGENCY NOTE: It is the responsibility of the permit holder to assure that the State Board is in receipt of the request for extension within the prescribed time frames.

g) The State Board shall evaluate the information submitted in making its determination whether to grant the extension. Seven affirmative votes are required for approval of an extension. Section 1130.740 Renewal of a Permit

A project must be completed no later than two years from the date of obligation.

- a) The State Board may renew a permit if the project has not been completed within the two year completion period. A permit renewal shall not exceed 12 months, commencing on the expiration date of the original completion period (two years from the date of obligation).
- b) The request for permit renewal shall be in writing and include the following information:

 - 3) a statement as to the reasons why the project has not been completed.

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

NOTICE OF PROPOSED RULES

- c) The State Board will evaluate the information submitted in making its determination whether to approve the request for renewal. Seven affirmative votes are required to approve a renewal. Denial of a permit renewal shall be subject to appeal under the provisions of 77 Ill. Adm. Code 1180; Administrative Hearings.

Section 1130.750 Alteration of a Project for Which a Permit Has Been Issued

A permit is valid only for the defined construction or modification, equipment, site, amount and person(s) named in the application.

- a) If a permit holder proposes to alter a project for which a permit has been issued, a request for alteration must be submitted to the State Board. Such a request must contain a description of the proposed alteration and must address all applicable review criteria related to the alteration.

- b) The following proposed alterations require approval by the State Board:

- 1) a change in the approved number of beds or stations; or
- 2) a change in the categories of service approved; or
- 3) a change in the square footage of the project if such change increases the exterior dimensions of the project; or
- 4) an increase in the cost of the project which exceeds ten percent of the original approved permit amount; or
- 5) an increase in the amount of funds to be borrowed; or
- 6) an increase in the revised permit amount previously approved.

c)

- 1) The State Agency shall review the request for compliance with the review criteria and submit its findings to the State Board. If additional information is needed by the Agency to perform a review of the request, the permit holder shall be notified in writing.

a separate component, require a permit under the Act, shall not be subject to review under this section but shall require a new application.

- d) Upon approval of a request for alteration, the Agency shall revise the permit to reflect the alteration and shall adjust all inventories accordingly.

- e) Decisions on requests for alteration shall be transmitted, in writing, to the permit holder by the Executive Secretary.

- f) Seven affirmative votes are required for approval of an alteration. The approval or denial of a request for alteration constitutes the State Board's final administrative decision.

Section 1130.760 Annual Progress Reports

- 2) cost and progress to date; and
- 3) the schedule of construction stages to completion; and
- 4) the anticipated date of completion.

- b) Failure to provide the required annual progress reports will result in future applications being considered incomplete until the required reports are received by the Agency.

Section 1130.770 Project Completion, Final Realized Costs and Cost Overruns

Each permit holder is to notify the State Agency regarding completion of the project.

- a) Each permit holder must provide a report of final realized cost on forms provided by the Agency unless there was no project cost. The report shall be certified by an independent auditor and by the chief executive officer of the facility. The report shall be filed no later than 60 days after the end of the fiscal year audit after construction or modification has been concluded. Failure to file this report will result in subsequent applications for permit filed by the permit holder to be incomplete until such report is filed.

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

NOTICE OF PROPOSED RULES

- b) If the final realized cost exceeds the originally approved permit amended by more than ten percent, the amount over ten percent shall be considered a cost overrun without permit unless subsequently approved by the State Board. For projects which have been altered and been approved for a revised permit amount, any amount of the final realized cost which exceeds the revised permit amount shall be considered a cost overrun and without permit unless subsequently approved by the State Board.

Section 1130.780 Revocation of a Permit

b)

- 1) If at any time the Agency has information that a reason for revocation of a permit exists pursuant to Section 1130.780 a), the Agency shall provide the permit holder written notification of the allegations and of the date, time and place when such allegations will be reviewed by the State Board. The permit holder will be afforded 30 days following receipt of the Agency notification to prepare and submit a written response to the allegations, which will be submitted along with the Agency report to the State Board for review.

- 2) AGENCY NOTE: It is the responsibility of the permit holder to assure that the Agency is in receipt of the written response within the prescribed time frame.

- c) If after reviewing the allegations and the permit holder's response, if any, the State Board determines that a basis for revocation exists, it shall issue and transmit to the permit holder a "Notice of an Intent to Revoke" a permit.

DEPARTMENT OF PUBLIC HEALTH/HEALTH FACILITIES PLANNING BOARD

SUBPART B: APPLICABILITY AND EXEMPTIONS

Section 1160.210 Persons Required to Obtain a Permit From the Illinois Health Facilities Planning Board

- a) Section 5 of the Act states that *no person shall construct, modify or establish a health care facility or acquire major medical equipment (as defined in the Act) without first obtaining a permit or exemption from the State Board.*

- 1) *A permit shall be obtained prior to the construction or modification of a health care facility which:*

Section 100.7550 Requirement of Withholding - Personal Service Contracts (IIITA Section 708) (Repealed)

a) In general.

Any person maintaining an office or transacting business in Illinois and making payments exceeding \$1,000 during a calendar year under a written contract which necessitates the rendition of personal services in Illinois by one or more individuals identified in the contract is required to deduct and withhold Illinois income tax from such payments. Withholding of Illinois income tax will not be required unless the payments are made in the ordinary course of the trade or business of the payor, nor will withholding of Illinois income tax be required if the individual (or all individuals) identified in the contract certify to the payor that he (or they) are residents of Illinois.

Example: A is a lawyer employed by Smith, Jones & Doe, a professional corporation engaged in the practice of law. Pursuant to a written contract, XYZ Corporation, which maintains an office and transacts business in Illinois, retains Smith, Jones & Doe in antitrust litigation pending in the Federal District Court for the Northern District of Illinois. The contract specifies that A will represent the corporation at the trial on the antitrust charges. Smith, Jones & Doe will receive a minimum fee of \$10,000 upon completion of the trial. Upon completion of the trial in February, 1980, Smith, Jones & Doe submits a statement for professional services in the amount of \$10,000. XYZ Corporation must withhold \$250 (2 1/2% of \$10,000) from the payment to Smith, Jones and Doe.

Section 100.7560 Contracts Indeterminate as to Amount (IITA Section 708) (Repealed)

If a series of fixed or determinable periodic payments are to be made under a written contract and the total of all such payments for a calendar year will exceed \$1,000, or can reasonably be expected to exceed \$1,000, withholding at a rate of 2 1/2% will be required on each payment during that calendar year. (See 26 CFR 1441-2(a)(2) regarding the terms "fixed" or "determinable"). Withholding will not be required on any payment in a series of fixed or determinable payments until such time as the payments for the year can reasonably be expected to exceed \$1,000. At such time as that reasonable expectation does arise, withholding will be required from the next payment and, if necessary, from succeeding payments, in a sufficient amount to bring the total withholding for the year to 2 1/2% of the total payments for the year. The payor hereunder shall not be penalized for underwithholding on the first \$1,000 paid under a contract unless his determination that no tax should be withheld was clearly unreasonable at the time the payments were made.

Section 100.7570 Series of Identical Contracts (IITA Section 708) (Repealed)

For purposes of meeting the \$1,000 minimum payment requirement under IITA Section 708(a)(3), a series of written contracts which are substantially identical to one another and which were entered into primarily to avoid the requirement of IITA Section 708, will be deemed to be a single contract.

NOTICE OF PROPOSED AMENDMENTS

Section 100.7590 Presence Necessitated (IITA Section 708) (Repealed)

For purposes of IITA Section 708(a)(4), the presence of an individual or group of individuals is necessitated in Illinois by a contract only if the contract specifies that the service or any part thereof is to be performed in Illinois by the individual or group of individuals or if the obligations under the contract of the party agreeing to provide the services cannot, under any circumstances feasible at the time the contract is entered into, be met with out the individual or group of individuals entering Illinois.

Section 100.7600 Certification of Residence (IITA Section 708) (Repealed)

For purposes of IITA Section 708(a)(4), in addition to certification of residence being made on the contract itself, such certification may also be made after the execution of the contract on Form IL-W-5-NR (Certificate of Residence in Illinois) or on any invoice or billing statement submitted to the payor by the payee. However, no certification of residence shall be effective for prior payments.

Section 100.7620 Net Amount (IITA Section 708) (Repealed)

a) For purposes of IITA Section 708(b)(2), the "net amount" of a payment is the gross amount of the payment less withholding required by IITA Section 708, and any fees and/or commissions deducted from the payment by an intermediate party such as the booking agent.

b) If the particular individual whose required presence in Illinois gave rise to the IITA Section 708 withholding is an employee within the meaning of IITA Section 1501(a)(3), no payment of compensation, as that term is defined in IITA Section 1501(a)(3), to that individual by his employer shall be considered a net amount exempt from withholding under IITA Section 708(b)(2).

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENTS

c) Example: A is a lawyer employed by Smith, Jones and Smith, a professional corporation engaged in the practice of law. B Corporation, a manufacturing firm located in Chicago, Illinois, developed a new product for which a patent was obtained. C Corporation has, in the view of B Corporation infringed that patent and B Corporation wishes to file an appropriate infringement suit in the Federal District Court for the Northern District of Illinois in Chicago. For this purpose, B Corporation retains Smith, Jones and Smith, the retainer contract specifying that A is to represent B Corporation at the trial to be conducted in Chicago. Upon completion of the trial, Smith, Jones and Smith is to receive a fee of \$10,000. The trial is actually conducted during July, 1980, and pursuant to the contract A appears in court in Chicago to represent B Corporation. On July 31, 1980, B Corporation issues to Smith, Jones and Smith its check for \$9,750.00 (the \$10,000 fee less IITA Section 708 withholding). On August 3, 1980, a payroll manager at Smith, Jones and Smith is preparing A's July, 1980 salary check. A is a resident of Illinois with an annual salary of \$72,000 and is paid monthly. A has on file with Smith, Jones and Smith a Form IL-W-4 which claims one withholding exemption. Ordinarily, the payroll clerk withholds \$147.92 in Illinois income tax from A's monthly salary check. That withholding is in no way altered by the fact that B Corporation withheld Illinois income tax from its payment to Smith, Jones and Smith. Note that Smith, Jones and Smith could have avoided having B Corporation withhold from its payment to Smith, Jones and Smith had there been proper certification, either on the retainer contract or as described in 86 Ill. Adm. Code 100.7600, that A was an Illinois resident.

Section 100.7630 Coordination with IITA Section 701 (IITA Section 708) (Repealed)

Section 100.7640 Requirement of Withholding - Prizes and Awards (IITA Section 709) (Repealed)

a) In general.

Any person maintaining an office or transacting business in Illinois and making payments of prizes or awards shall withhold Illinois income tax from such payments at the rate of 2 1/2% if:

DEPARTMENT OF REVENUE

NOTICE OF PROPOSED AMENDMENTS

- 1) the payment is in complete or partial satisfaction of a prize that exceeds \$1,000,
 - 2) the prize is awarded on account of the relative performance of an individual, group of individuals, automobile, or animal in a contest, and
 - 3) the contest is conducted wholly within Illinois.
- b) Withholding of Illinois income tax will not be required unless the payments are made in the ordinary course of the trade or business of the payor, nor will withholding of Illinois income tax be required if the individual, all members of the group of individuals, or the owner of the animal or automobile whose relative performance warranted the prize certified to the payor prior to the contest that he (or they) are residents of Illinois.
- 1) Example 1: A, a nonresident, is a professional bowler. XYZ corporation sponsors a bowling tournament in W-Town, Illinois. A enters the tournament and wins fourth prize of \$2,200. XYZ corporation must withhold \$55.00 from the prize that it pays to A; its sponsorship of the bowling tournament is an element of the promotional/advertising program that has been established to bolster the marketing of its products, consequently the payment is in the ordinary course of its trade or business.
 - 2) Example 2: B, a nonresident, enters his race car in the Land of Lincoln Grand Prix held in X-Town, Illinois. B's car finishes third in the race, earning \$10,000 in prize money for B. The Greater X-Town Community Development Corporation, the sponsor of the race, must withhold \$250.00 from the \$10,000 prize payment that it makes to B; the race is an element of the payor's general program for promoting growth in the X-Town area, and consequently the payment is in the ordinary course of its trade or business.

Section 100.7650 Promoter (IITA Section 709) (Repealed)

For purposes of IITA Section 709(a)(2), the promoter of a contest is the organization or individual that offers the prize money or non-cash prize to successful participants and who, at the conclusion of the contest, pays the prize money or non-cash prize. Consequently, the party that is responsible for withholding under IITA Section 709 is the same party that can obviate the need to withhold from any particular prize winner by retaining for four full calendar years following the completion of the contest a copy of the contest application or an appropriately executed Form IL-W-5-NR certifying that the prize winner is an Illinois resident.

Section 100.7700 Non-cash Prizes (IITA Section 709) (Repealed)

For purposes of IITA Section 709, non-cash prizes are taken into account at fair market (retail) value. The party awarding the non-cash prize must receive from the party receiving it a sum of money equal to 2 1/2% of the fair market value of the prize and should include that money with other withholding remitted to the Department under IITA Section 709.

Example: DEF Corporation sponsors a golf tournament in Y-Town, Illinois. In addition to prize money awarded to the top performer in the tournament, DEF Corporation also awards a new automobile to the player whose tee shot on No. 13 on the 4th day of the tournament is closest to the hole. A, a nonresident, hits his tee shot on No. 13 one inch from the hole and wins the automobile. The automobile has a fair market value at retail of \$15,000. DEF Corporation should obtain a payment from A of \$375.00 before it awards the car to him.

Section 100.7750 Certification of Residence (IITA Section 709) (Repealed)

IITA Section 709(a)(2) excuses the payor from withholding Illinois income tax for any prize winner who had certified prior to the contest on a contest application or a form prescribed by the Department that he is a resident of Illinois, provided that the promoter maintains a copy of such certification for four full years following the contest. The form prescribed by the

DEPARTMENT OF REVENUE

Department for this purpose is IL-W-5-NR. The promoter has no obligation under IITA Section 709 or any other provision of the Illinois Income Tax Act to inquire into the validity of the certification made on either the contest application or on Form IL-W-5-NR either at the time the certification was made or at the time the prize is paid to the prize winner.

Section 100.7800 Relative Performance (IITA Section 709) (Repealed)

IITA Section 709 does not require withholding of Illinois income tax on payments of prizes for a contest unless the contest involves an element of performance by the contestants. For example, no withholding is required under IITA Section 709 with respect to payments made as door prizes or with respect to payments made to lottery winners. These types of payments are not made as a result of the performance of the persons attending the event at which the door prize is awarded or as a result of the performance of persons buying lottery tickets. But rather, these payments are made as a result of the random selection of the payees as winners of the contest. Similarly, no IITA Section 709 withholding is required, though there may be a contest involving performance of contestants, if the payment that is made to those contestants is not based on the relative performance of the contestants.

Example: A and B, both nonresidents, are prize fighters. A match is arranged between the two, to be held in the Convention Hall in X-Town, Illinois. The contract entered into between A and the promoter and the contract entered into between B and the promoter specify that the winner of the boxing match will receive 10%, and the loser 5%, of the gross receipts resulting from the sale of tickets to the Convention Hall. In this case, assuming that the other requirements of IITA Section 709 are met, withholding would be required under IITA Section 709 because the size of the payments made to A and B respectively depends on their relative performance in the boxing match.

SUBPART B: FILING OF APPLICATIONS AND CLAIMS FOR RELIEF

Section 2725.100 Application For Revision Of Statement Of Benefit Wages Or Of Statement Of Benefit Charges

a) Applications for Revision of the Statement of Benefit Wages or the Statement of Benefit Charges must be filed at the address specified on the such Statement of

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

Benefit-Wages-(Ben-118), within 45 days of the mailing of such Statement, as provided in Section 1508 of the Act.

B) A sufficient Application shall set forth: the name and Social Security account number of each claimant whose benefit wages or benefit charges are contested; the amount of benefit wages or benefit charges contested; the weeks of benefit wages or benefit charges contested; the year and quarter of the Statement of **Benefit-Wages (Ben-118)** contested; and 7a Statement of facts providing the basis for relief upon which the employer relies in its Application.

1) If the employer is charged benefit wages and did not receive notice of the claim, despite the Agency's record of the mailing date of a "Notice of Finding to a Base Period Employer" (BIS-305) shown on the Statement of Benefit Wages (Ben-118), the employer states this fact and the reasons why the payment of benefits to the claimant for the weeks charged, or the charging of benefit wages to the employer, is improper.

A) If an employer was served with a Notice of Finding or Reconsidered Finding (BIS-305) pursuant to Section 701 or 703 of the Act, the employer may not object to the benefit wages on the basis that the employer was not an employer during the base period of the claimant, that the claimant was not performing services in employment for the employer or that the wages as shown on such finding are incorrect.

B) If an employer was served with a Notice of Finding (BIS-305), the employer's remedy for relief of the benefit wages is an appeal of the finding pursuant to Section 800 of the Act or a request for reconsideration of the finding pursuant to Section 703 of the Act with the Claims Adjudicator at the local office where the claimant filed for benefits.

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

C) If the finding is subsequently modified or reversed, the benefit wages will be modified or cancelled, as appropriate, through the operation of Section 706 of the Act. (See 56 Ill. Adm. Code 2720).

2) If an employer alleges that the benefit wages or benefit charges arose from the payment of benefits to a claimant for weeks of eligibility to which the employer was entitled to notice of a determination pursuant to Sections 702 or 703 of the Act, and was not notified of such determination of eligibility and the claimant was improperly paid benefits, the employer must show that it filed in response to notice of the claim, a timely (see 56 Ill. Adm. Code 2720.30) and sufficient Notice of Possible Ineligibility or letter in lieu thereof alleging that the claimant was ineligible for benefits for the weeks charged and did not receive a determination of eligibility or decision holding the Notice of Possible Ineligibility or letter in lieu thereof as insufficient or untimely.

A) A copy of the allegedly unanswered Notice of Possible Ineligibility or letter in lieu thereof must be included with the Application, together with any subsequent documentation where applicable, such as a Referee or Board of Review decision holding the Notice of Possible Ineligibility as sufficient.

B) If the employer did not file a timely and sufficient Notice of Possible Ineligibility or letter in lieu thereof in response to the notice of claim or if a determination of eligibility was served upon the employer, the employer may not object to the benefit wages or benefit charges that arose from the determination of eligibility for benefits ~~of paid~~ to the claimant for the weeks charged. In such a case, the employer's remedy is to request a reconsidered determination from the local office Claims Adjudicator where the claimant filed for benefits, pursuant to

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

Section 703 of the Act or to file an appeal to the determination under Section 800 of the Act.

- C) If the determination of eligibility for the weeks charged is reversed, the employer will receive appropriate relief from the benefit wages or from the benefit charges **charged** through the operation of Section 706 of the Act.

- 3) When the employer alleges that a clerical error was made by the Agency, the nature of the clerical error and its effect on the benefit wages or benefit charges must be clearly stated. A copy of the material bearing the error must accompany the Application.

- 4) Where the employer alleges that the benefit wages are non-chargeable because part-time work provided by the employer during the claimant's base period was continued into the applicable benefit year pursuant to Section 1501F of the Act, there must be a specific allegation that the employer provided during the applicable benefit year substantially the same part-time work as he did during the base period of the claimant. In determining whether the part-time work is substantially the same as provided in the base period, consideration shall be given to the number of hours worked and the amount of wages earned. The employer must furnish information to support the allegations, which may include a record of earnings and working hours in each calendar week following the initial claim during the period covered by the Statement of Benefit Wages (Ben-118) and an equivalent record showing that earnings and working hours are on the same basis and substantially the same amount as during the base period of the claimant while performing services for the employer.

- c) An Application which does not specify the factual basis for relief sought or otherwise fails to meet the criteria in subsection (a) and (b) shall be ruled insufficient, and the Director shall serve notice of

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

such ruling and the basis therefor upon the employer. The ruling shall be final and conclusive unless the employer files, within 20 days of the date of mailing of the ruling, a written objection or a revised Application for Revision of the Statement of Benefit Wages or Statement of Benefit Charges, specifically responding to the reasons the Original Application was ruled insufficient. The written objection or revised Application be shall reviewed and an order issued. An employer disagreeing with such order may appeal to a Director's Representative under Subpart C of this Part if such appeal is taken within 20 days of the date of mailing of the order.

- 1) Where an employer alleges that benefit wages should have been transferred from such employer's account to the next subsequent employer pursuant to Section 1501F of the Act, reference must be made to, and a copy furnished of, the Notice of Claims Adjudicator's Decision (Ben-135) or the Director's Decision, which is the basis for the requested transfer.

- A) No transfer of benefit wages may be initiated through an Application for Revision of Statement of Benefit Wages⁷ but must be requested from the Claims Adjudicator at the local office where the claim was filed.
- B) If an employer has previously submitted a request for transfer of benefit wages with the local office, it should resubmit the request with proof of filing the original request.

- 2) Where an employer alleges that a claimant was not an unemployed individual under Section 239 of the Act during a period when such claimant was paid benefits, no relief shall be available under Section 1508 of the Act, but the matter shall be referred to the local office where the claimant last filed a claim for benefits for investigation to which such employer shall be a party. If the claimant is determined ineligible, appropriate relief will be granted to such employer under Section 706 of the Act.

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

- 3) Where an employer alleges that his Statement of Benefit Charges is incorrect because it is not the chargeable employer pursuant to Section 1502.1 of the Act, such Application must contain a reference to and a copy of the decision which reverses the claims adjudicator and holds that the employer is not the chargeable employer. Unless the employer has filed a timely request for reconsideration to the decision that the claims adjudicator has found it to be the chargeable employer, pursuant to 56 Ill. Adm. Code 2765.325 or 2765.326, such employer shall not be entitled to a revision of its "Statement of Benefit Charges".

d) Upon receipt of a sufficient Application, the Application shall be ordered allowed or denied in whole or in part and notice of such order stating the basis therefor shall be mailed to the employer. Such application will be allowed in part and denied in part where the employer has contested multiple benefit wages or benefit charges but has made sufficient allegations on some but not all. Such order shall become final and conclusive at the expiration of 20 days from the date of mailing of such order, unless the employer shall have filed a Petition specifying its objections thereto.

e) Where the allegation in the Application is lack of notice of a determination or reconsidered determination and the ineligibility of the claimant for a specific reason, such employer shall be sent either a copy of the original determination or reconsidered determination, as may be applicable, and if the allegation of lack of notice proves to be true, the period for filing a timely appeal under Section 800 of the Act and 56 Ill. Adm. Code 2720. Subpart C shall begin from the date of mailing of the copy of the determination or reconsidered determination.

- c) An Application which does not specify the factual basis for relief sought, or does not contain the information required by the applicable Section of this Part, shall be ruled insufficient. The ruling shall be final and conclusive unless the employer files, within 10 days of the date of mailing of such ruling, a written objection or revised Application, specifically responding to the reasons the original Application was ruled insufficient. The written objection or revised Application shall be reviewed and an order allowing or denying relief issued.

- d) If the Application is sufficient, the Agency shall investigate the allegations in the Application based on agency records and any documents supplied by the employer. The Agency shall issue a written order with reasons denying the Application or allowing the Application in whole or in part.

- e) An employer disagreeing with the order may appeal to a Director's Representative under Subpart C of this Part.

- f) If the basis for review of the rate determination is a pending benefit wage or benefit charge matter, such matter is not a basis for relief under this Section, but rather the employer's remedy is pursuant to Section 1508 of the Act and Section 2725.100 of this Part. If the benefit wages or benefit charges are modified or cancelled, as appropriate, through the operation of Section 2725.100 of this Part, appropriate relief will be granted through the operation of Sections 1508 and 1509 of the Act.

EXAMPLE: While review of a benefit wage or a benefit charge matter is pending, the employer receives a Notice of Contribution Rate Determination based on the contested benefit wages or benefit charges. This employer's pending

NOTICE OF ADOPTED AMENDMENTS

Application for Revision of Statement of Benefit Wages or Statement of Benefit Charges shall be deemed to be an Application for Review of that portion of its rate based on the contested Statement. If such employer prevails on the Application for Review of Benefit Wages or Statement of Benefit Charges, hisits benefit wage or benefit ratio shall be modified accordingly and, if this results in a change to hisits rate, a revised Notice of Contribution Rate Determination will be issued.

Section 2725.120 Application For Cancellation Of Benefit Wages Or Benefit Charges Due To Lack Of Notice

a) An Application for Cancellation of Benefit Wages or Benefit Charges due to lack of notice made pursuant to Section 1508.1 of the Act shall be sufficient only if the following requirements are met:

1) The employer has also filed a timely and sufficient Application for Revision of Statement of Benefit Wages or Statement of Benefit Charges, as provided in Section 2725.100; and,

2) The employer specifically alleges in its Application for Cancellation of Benefit Wages or Benefit Charges that the Agency did not issue one or more of the following Notices within the required time period:

A) A "Notice-to-Base-Period-Employer"-(BIS-305) or "Notice to Last Employer, Last Employing Unit or Other Interested Party," (BIS-31) (See 56 Ill. Adm. Code 2720.130(a)(1)) within 180 days of the date of the initial Finding; or,

B) A "Notice of Determination" (BEN-134) (See 56 Ill. Adm. Code 2720.140(a)) under Section 702 of the Act within 180 days of the employer's timely "Notice of Possible Ineligibility" (BIS-22) or letter in lieu thereof (see 56

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

Ill. Adm. Code 2720.130) or, in the case of a remanded Decision regarding the sufficiency of the employer's protest under Section 702 of the Act, within 180 days of the remanded Decision; or,

C) In the case of a "Notice of Determination" (BEN-134) issued under Section 702 of the Act, in which an issue was not adjudicated at the time of the employer's timely "Notice of Possible Ineligibility" (BIS-22) or letter in lieu thereof because of the individuals's failure to file a claim for a week of benefits, within 180 days of the date on which the individual first files a claim for a week of benefits; or,

D) A "Notice of Reconsideration of Findings" (BIS-305) or "Notice of Reconsideration of Determination" (BEN-134), within 180 days of the date of reconsideration; or

E) A "Notice of Director's Referee's Decision" (AR-56) (See Ill. Adm. Code 2720.270), which allows benefits, within 180 days of the date that the appeal was received by the Agency; or,

F) Under Section 604 of the Act, a "Notice of Director's Decision" within 180 days of the date of the report and Recommended Decision of the Director's Representative.

G) With respect to the notice of a decision that the employer is a chargeable employer, pursuant to 56 Ill. Adm. Code 2765, within 180 days of the employer's protest or appeal of such a decision.

b) A citation to Section 1508.1 of the Act or this Section of the Rules need not be made in the Application, nor is it necessary to specifically allege the failure of the Agency to act within 180 days.

DEPARTMENT OF EMPLOYMENT SECURITY

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

NOTICE OF ADOPTED AMENDMENTS

Example: The employer meets the requirements of subsection (a)(1) and alleges that the Agency failed to respond to its timely "Notice of Possible Ineligibility" (BIS-22) or letter in lieu thereof by issuing a "Notice of Determination" (BEN-134). If the Agency finds that the allegations contained in the employer's Application for Cancellation of Benefit Wages or Benefit Charges are true, and 180 days have elapsed since the employer's "Notice of Possible Ineligibility" (BIS-22) or letter in lieu thereof, then the benefit wages or the benefit charges in question will be cancelled.

- c) The Application for Cancellation of Benefit Wages or Benefit Charges can be made a part of an Application for Revision of Statement of Benefit Wages or Statement of Benefit Charges provided that the requirements of subsection (a)(2) are satisfied.

Example:--An initial Finding is made on January 4, 1987, but no "Notice to Base Period Employer" (BIS-305) is mailed to the employer, although no benefits are initially paid. The claim is reopened on July 7, 1987, but no "Notice to Base Period Employer" (BIS-305) is mailed and benefits are now paid. As the "Statement of Benefit Wages" (BEN-118) will not be mailed until subsequent to the 180 days after the date of mailing of the initial Finding, both the Application for Revision of Statement of Benefit Wages and the Application for Cancellation of Benefit Wages can be made in a single document.

- d) An Application for Cancellation of Benefit Wages or Benefit Charges will be denied if an Application for Revision of Statement of Benefit Wages or Statement of Benefit Charges regarding the same benefit wages or the same benefit charges and based on the same allegation has already been denied.
- e) The cancellation of benefit wages or the cancellation of benefit charges will be allowed if it is proven by the employer that:

- 1) The employer meets the definition of a "party" under 56 Ill. Adm. Code 2720.1; and,
- 2) The Agency failed to issue one or more of the "Notices", as set forth in subsection (a)(2); and,
- 3) The employer has satisfied the requirements of Section 1508 of the Act; and,
- 4) The Agency's actions directly resulted in the payment of benefits to an individual and hence caused the individual's wages to become benefit wages or benefit charges in accordance with the provisions of Sections 1501, 1501.1, and 1502 and 1502.1 of the Act. For the purposes of this Section, the Agency's actions "directly resulted" in the payment of benefits where the Agency fails to respond to a timely, where required, notice from an employer within the time limits set in subsection (a)(2).

A) Example 1: The employer files a late appeal to the Referee (after expiration of the 30 day appeal period set forth by Section 800 of the Act). Even if the Agency fails to rule on the employer's appeal within 180 days from the date the appeal is filed, the employer's benefit wages or benefit charges will not be cancelled, as the Agency's failure to rule on an issue over which the Referee has no jurisdiction cannot "directly result" in the payment of benefits. This result would be different if the employer proves that its appeal was filed in a timely manner.

B) Example 2: The employer files a timely "Notice of Possible Ineligibility" (BIS-22) or letter in lieu thereof to which the Agency makes no response within 180 days. Even if the claimant is found to be eligible for benefits, these benefit wages or benefit charges will be subject to cancellation if the other requirements of this Section are met.

NOTICE OF ADOPTED AMENDMENTS

- f) All of the provisions of Section 1508 of the Act and Section 2725.100 of this Part, applicable to Applications for Revision of Statement of Benefit Wages or Statements of Benefit Charges and not inconsistent with the provisions of Section 1508.1 of the Act and this Section, shall apply to Applications for Cancellation of Benefit Wages or Benefit Charges under Section 1508.1 of the Act.

Example: The employer must file its timely Application for Revision of Statement of Benefit Wages or Statement of Benefit Charges in response to a Statement of Benefit Wages or Statement of Benefit Charges. If any benefit wages or benefit charges are allowed by the employer to become final, it cannot later request that the benefit wages or benefit charges be cancelled due to its subsequently meeting the requirements of Section 1508.1 of the Act.

- g) All of the provisions of the Act and this Part applicable to Protests and Petitions for Hearings conducted pursuant to Section 2200 of the Act and not inconsistent with the provisions of Section 1508.1 of the Act and this Section shall be applicable to Applications for Cancellation of Benefit Wages or Benefit Charges.

SUBPART C: APPEAL TO DIRECTOR'S REPRESENTATIVE

Section 2725.250 Conduct of Hearing

- a) The Director's Representative will control the hearing which will be confined to the relevant factual and/or legal issues.
- b) At the hearing the petitioning employer must produce testimony, argument or other evidence to establish that the Director's order or determination and assessment is incorrect.
- c) Following the testimony of each witness, the witness may be questioned and cross-examined by the opposing party, if any, and then may be questioned and cross-examined by

the Director's Representative or such other employee of the Director as the Director may designate. The Director's Representative or such other employee of the Director as the Director may designate shall represent the Director and may present any evidence to support the Director's order or determination and assessment.

- d) It is the duty of the Director's Representative to ensure that the party or parties, as appropriate, have full opportunity to present all evidence relevant to the issues before the Director's Representative.
- e) If any person becomes disruptive or abusive, the Director's Representative shall exclude such person from the hearing and the hearing will continue without the participation of such excluded individual. The Director's Representative shall render a decision based on all evidence in the record.

- f) The Director shall prohibit any person from representing a party in any proceeding under this Part if the Director finds that such person is or has been guilty of violating the Code of Professional Responsibility, Article 8 of the Rules of the Illinois Supreme Court (Ill. Rev. Stat. 19857, ch. 110A, par. 1-101 et seq.) or has intentionally disregarded the provisions of the Act, rules promulgated thereunder or written instructions of the Director. Such prohibition shall be in writing and shall be applicable for a period not to exceed 120 days from the date such decision is mailed to the party.

Section 2725.270 Recommended Decision

- a) The Director's Representative shall issue a recommended decision without a hearing where:
- 1) The Record fails to state a basis for relief under the facts stated or the law;
 - 2) The Petition or revised Petition, Application for review of a rate determination, Application for revision of statement of benefit wages or

statement of benefit charges, or Claim for re-fund or adjustment was not filed in a timely manner as provided for in the Act and no issues relating to timeliness have been raised by the petitioner.

- b) The Director's Representative, at the conclusion of the hearing, or upon the failure of an appealing party to appear at a scheduled hearing or failure of such party to provide any necessary telephone number or to answer at a designated telephone number at the time of such scheduled hearing as provided in Section 2725.220, shall submit his recommended decision to the Director. Such recommended decision shall include:
- 1) A statement of the issues involved;
 - 2) Findings of fact;
 - 3) Conclusions of law;
 - 4) A recommended decision.
- c) A copy of such recommended decision shall be served upon all parties.
- d) Such recommended decision shall become the decision of the Director unless objections are filed to the recommended decision in accordance with Section 2725.275.

- 8) Date filed in Agency's Principal Office: October 30, 1989.
- 9) Notice of Proposal published in Illinois Register: July 14, 1989 at 13 Ill. Reg. 11153.
- 10) Has JCAR issued a Statement of Objection to these Rules? No.
- 11) Difference between proposal and final version: Initially, amendment was proposed to Section 2920.5. However, because the Department agreed not to repeal other Sections, it was no longer necessary to change the cross-reference to a proposed repealed Section, no change was to this Section. Repeal was proposed for Section 2920.65. However, instead, the Department added a phrase after "individual" in (a)(2) and deleted the prior language. Also, the cross-reference in the example under (b) was changed from (d) to (c). Repeal was proposed for Section 2920.70. Instead, additions and deletions were made to (a)(1) and (a)(2), as indicated in the text, and "employing unit" was changed to "individual or organization or its successor" and a fifth example was added in (b). Section 2920.75 was proposed for repeal; however, instead, no changes are being made to this Section. Section 2920.80 was proposed for repeal. Instead, language has been added to (a)(2), (a)(3), (b)(2) and (b)(3), as indicated in

this text, to reflect the effects of P. A. 86-3. The spelling of "military" is corrected in (a)(2), and the spelling of "repeal" is corrected in (c)(5). Also, (c)(6) was added to this Section.

- 12) Have all the changes agreed upon by the Agency and JCAR been made as indicated in the agreement letter issued by JCAR?
Yes.

- 13) Will these amendments replace an emergency rule currently in effect? Yes.

- 14) Are there any amendments pending on this Part? No.

- 15) Summary and Purpose of the Amendments: These amendments update the current rules regarding the deductibility of retirement pensions (including social security) from unemployment insurance benefits by including in these rules the changes mandated by P. A. 86-3, effective July 1, 1989 which include social security as a disqualifying pension and which limit disqualifying pensions to those paid for by either an individual or organization which paid wages to a claimant during his base period or which is chargeable for his benefits.

SUBPART A: GENERAL PROVISIONS

Section 2920.65

Retirement Pay

a) For the purposes of this Part, retirement pay is defined as any pension, annuity, or other similar payment made to an individual:

- 1) On a periodic basis;
- 2) Under a plan maintained or contributed to by an organization or individual, for which performed services during his base period or which organization or individual, including those which have elected to make payments in lieu of paying contributions, is chargeable, pursuant to Section 1502.1 of the Act for any benefit payments made to the individual on the basis of previous services rendered by the individual.

b) Nothing in this Section shall prohibit payments from a plan maintained and operated by a union from constituting retirement pay provided that such payments otherwise satisfy the requirements of subsection (a).

Example: A lump sum payment which satisfies the second criterion given under this Section will nevertheless not constitute retirement pay as defined by this Section because the payment is

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

not made on a periodic basis. It should be noted, however, that under Section 2920.70 (dc), such lump sum payments are considered disqualifying income with respect to the week in which they are paid.

(Source: Amended at 13 Ill. Reg. 17402 effective Oct. 30, 1989) Section 2920.70 Retirement Pay Considered Disqualifying Income

a) The entire amount of payments made to an individual constituting retirement pay under Section 2920.65 shall be considered disqualifying income if:

- 1) These payments are from any employing-unit individual or organization or its successor, for which individual or organization or its successor the individual performed services during his base period or which is chargeable, pursuant to Section 1502.1 of the Act, including those organizations which have elected to make payments in lieu of paying contributions, for any benefit payments made to the individual, for which the individual performed services and which employing-unit and successor-and which has paid all of the cost of the individual's retirement pay; or,
- 2) These payments are from a trust, annuity or insurance fund or under an annuity or insurance contract to or under which any individual or organization employing-unit or its successor-for which the individual performed services, for which individual or organization or its successor the individual performed services during his base period or which is chargeable, pursuant to Section 1502.1 of the Act, including those organizations which have elected to make payments in lieu of paying contributions, for any benefit payments made to the individual, and which employing-unit individual or organization or its successor pays or has paid all of the premiums or contributions.

b) One-half of payments made to an individual constituting retirement pay under Section 2920.65 shall be considered disqualifying income if the employing-unit individual

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

or organization or its successor has paid some, but not all, of the cost of the individual's retirement pay.

- 1) Example 1: Payments from independent pension plans established and funded entirely by the individual such as individual retirement accounts (IRA) or Keogh plans are not disqualifying within the meaning of this Section because the employer pays no part of the cost of the IRA or Keogh plan.
- 2) Example 2: The individual contributes to a retirement plan at a fixed rate of 25%. The employing unit contributes the remaining 75%. Since part of the total contributions to the plan is provided by the employer, 50% of each retirement payment is disqualifying income.
- 3) Example 3: The individual and the employing unit made variable contributions to a retirement plan. However, upon maturity of the plan, the individual has contributed 40% of all of the contributions and the employing unit has contributed the remaining 60%. Since part of the total contributions to the retirement plan is provided by the employer, 50% of each retirement payment is disqualifying income.
- 4) Example 4: The individual belongs to a retirement plan maintained and operated by the union. The employer contributes 60% of the cost of maintaining and operating the plan, the union contributes 5%, and the individual contributes the remaining 35%. Since part of the total contributions to the retirement plan is provided by the employer, 50% of each retirement payment is disqualifying income.
- 5) Example 5: The individual retires from Company A in 1981 when he reaches the age of 65. At this time, he does not continue to work, and he will be entitled to full social security benefits available to an individual of his age. However, he is later employed by Company B and collects no more social security benefits until he reaches the age of 70, when he is allowed to continue to work and also to collect his full social security. If the individual is laid off by Company B, one-half of

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

his social security benefits will be disqualifying income if his wages from Company B are subject to social security contributions, even though the additional contributions do not increase his social security benefits.

- c) Notwithstanding subsections (a) and (b), lump sum retirement payments shall be considered disqualifying income under this Section with respect to the week in which they are paid.

(Source: Amended at 13 Ill. Reg. 17407 effective Oct. 30, 1989)
Section 2920.80 Miscellaneous Forms of Retirement Pay

- a) On the basis of the definitions and principles concerning retirement pay set out in Sections 2920.565 and 2920.70, an individual's receipt of payments from the following sources shall be considered 100% disqualifying income:
 - 1) All profit sharing plans funded entirely by the individual or organization for whom the individual performed services which constitute retirement pay under Section 2920.65;
 - 2) All Federal military service pensions if the United States military service paid wages to the individual during his base period;
 - 3) All pensions under the Railroad Retirement Act of 1974 (45 U.S.C. 231-231t) if an organization covered under that Act paid wages to the individual during his base period.
- b) On the basis of the definitions and principles relating to retirement pay set out in Sections 2920.65 and 2920.70, an individual's receipt of payments from the following sources shall be considered 50% disqualifying income:
 - 1) Social Security retirement pensions and disability payments based on the individual's employment, including those based on self-employment;

NOTICE OF ADOPTED AMENDMENTS

- 2) Federal civilian employment pensions if the individual was paid for Federal civilian services during his base period;
- 3) All State of Illinois or local government retirement or disability pensions if the individual performed services during his base period for the State of Illinois or the local governmental entity which funded the pension or if the State of Illinois or the local governmental entity is chargeable, pursuant to Section 1502.1 of the Act, including an entity which has elected to make payments in lieu of paying contributions, for any benefit payments made to the individual.

c) On the basis of the definitions and principles concerning retirement pay set out in Sections 2920.65 and 2920.70, an individual's receipt of payments from the following sources shall not be considered disqualifying income:

- 1) An independent pension or retirement plan which was fully paid for by the individual;
- 2) Social Security benefits payable to a surviving spouse or dependent, not attributable to the previous work of the surviving spouse or dependent;
- 3) Veterans Administration compensation payments which are not federal military service pensions;
- 4) Any federal (military service or civilian employment) disability payments if they are not part of a retirement plan;
- 5) Payments from Individual Retirement Accounts (IRA) and Keogh/Keogh Accounts;
- 6) A pension or retirement plan funded by an individual or organization, including one which has elected to make payments in lieu of contributions, which is neither chargeable, pursuant to Section 1502.1 of the Act, for any benefits paid to the individual nor for which the individual performed services during his base period.

SUBPART C: BENEFIT CHARGES

- Section 2765.325 Application Of "30 Day" Requirement For Determining The Chargeable Employer Pursuant To Section 1502.1 Of The Act

- a) Except as provided in the other subsections of this Section and in Sections 2765.326, 2765.332, 2765.333 and 2765.334, the last employer prior to the beginning of the individual's benefit year (which is defined at Section 242 of the Act) for whom the individual provided services during at least 30 days beginning with the first day of the individual's base period (which is defined at Section 237 of the Act) but prior to the

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

beginning of his benefit year shall be liable for the benefit charges or payments in lieu of contributions, as the case may be, which result from any benefits paid to that individual.

- 1) Example: Immediately prior to filing his claim for unemployment benefits, the individual provides services to Company A, a liable, contributing employer, for 20 days. Prior to this period, he provides services to Company B, a liable, contributing employer, for 30 days. Prior to working for Company B and throughout his base period, the individual has provided at least 10 days of service to Company A. In this example, Company A will be the chargeable employer and will be liable for any benefit charges which might accrue as a result of any benefits paid to this individual. This is because the individual's last employer prior to the beginning of his benefit year is Company A and he provided services to Company A during at least 30 days during the period from the beginning of the individual's base period to the beginning of his benefit year. Pursuant to Section 1502.1 of the Act, it is not necessary for the 30 days of services by the individual to be consecutive.
- 2) Example: Prior to the beginning of his benefit year, the individual provides services only to Company A, a liable, contributing employer, for over ten years. Company A will be this individual's chargeable employer with respect to this individual's entire benefit year because Company A is the individual's last employer of at least 30 days prior to the beginning of his benefit year. If, after claiming benefits for a few weeks, this individual is employed by Company B, a liable, contributing employer, for six months, is laid off by Company B and files an additional claim, Company A will still be the chargeable employer of this individual with respect to any benefit charges which might accrue with respect to the additional claim. Company A remains liable for the benefit charges which accrue during the entire benefit year regardless of the number of times that the individual is laid off and becomes reemployed.

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

3) Example: Prior to the beginning of his benefit year, the individual is employed on an as-needed basis (some weeks the individual might work four days, other weeks he might not work at all) for Company A, a liable, contributing employer. While so employed by Company A, the individual is also employed on a full time basis for Company B, a liable, contributing employer. The individual is laid off by Company B and is offered two days of work by Company A. After working for these two days, no other work is currently available with Company A, and the individual files a claim for benefits. If the individual had been employed by Company A for at least 30 days from the beginning of his base period to the beginning of his benefit year, Company A will be liable for any benefit charges which might accrue as a result of any benefits which might be paid to this individual. This is because, despite the individual's full time employment with Company B, the individual's last employer for whom he provided services of at least 30 days during the applicable period was Company A, and it was his separation from Company A that caused the individual to become "unemployed."

4) Example: Assume the same facts as in subsection (a)(3), except that, instead of being an as-needed employee, the individual continues to provide less than full time services to Company A and earns less than his weekly benefit amount. In that case, Section 2765.326 shall apply, and Company B will be the chargeable employer because it caused this individual to become unemployed as defined in Section 239 of the Act.

5) Example: The individual is a substitute teacher. Whenever she is available to teach, she calls in for assignments with her school district, a local governmental entity which has elected to make payments in lieu of contributions. During the first semester of the school year, she teaches only 32 days. She, however, did not work for the school district during her base period. If she now files a claim

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

for benefits, her school district will be liable for 50% of any payments in lieu of contributions which would result if she would be paid benefits. This is because, despite her services being performed over a five month period, the school district is the last employer prior to the beginning of her benefit year and she has provided the required 30 days of services during the applicable period. The employer is only liable for 50% of the amount of the benefits paid because the individual performed no services for this employer during her base period (see Section 1405(B) of the Act.

6) Example: The individual is employed for 25 days during his base period for City A, a local governmental entity which has elected to make payments in lieu of contributions. He then works for Company B, a liable, contributing employer for approximately ten months. After being laid off by Company B, he is again employed by City A which then lays him off after five days. City A will be liable for payments in lieu of contributions equal to 100% of the benefits paid to this individual. This is because City A is the individual's last employer prior to the beginning of his benefit year, and this individual was employed for at least 30 days beginning with the start of his base period and prior to the beginning of his benefit year. City A is liable for 100% of the benefits paid because, in addition to being the chargeable employer as provided in this subsection, the individual also provided services for this employer during his base period. If this employer had met the requirements to be the chargeable employer but this individual had not provided services to this employer during his base period, then this employer would have been liable for only 50% of the payments in lieu of contributions made to this individual as in subsection (a)(5).

7) Example: The individual is employed by several different employers from the beginning of his base period until he first files a claim for benefits. However, he does not provide services for at least 30 days to any single employer dur-

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

ing this period. Therefore, there is no chargeable employer, and no employer will be liable for either the benefit charges or payments in lieu of contributions as a result of payments made to this individual during this claim for benefits.

- 8) Example: An individual is employed during his entire base period for Company A, a liable, contributing employer. After being laid off by Company A, he works for at least 30 days for the State of Illinois, which makes payments in lieu of contributions pursuant to Section 1403 of the Act. If this individual files a claim for benefits, the State of Illinois will be liable for an amount equal to 50% of the benefits paid to this individual since the State of Illinois is the chargeable employer but not a base period employer.

- b) The 30 day requirement, set forth in subsection (a), shall include any day on which any services are actually performed for the employer by the individual prior to the date of separation. For the purposes of this Section, even if a shift covers two calendar days, only one day shall be included in determining whether the 30 day requirement has been met. Paid sick days, vacation days, holidays or other similar paid, non-working days shall not be counted toward meeting the 30 day requirement. Payments for wages in lieu of notice, pension or other retirement type payments or for severance pay also do not meet the requirements of this Section.

- 1) Example: The individual works a shift which begins at 10 pm and ends at 7 am the next day. While this individual performs services for this employer on two calendar days, for the purpose of determining whether the 30 day requirement set forth in subsection (a) has been met, the individual's shift counts as only one day of service.
- 2) Example: The individual begins his shift at noon but becomes ill fifteen minutes later. Since the individual performed services for the employer for fifteen minutes, one day is counted toward meeting the 30 day requirement set forth in subsection (a).

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

- 3) Example: The individual is scheduled to work on a certain day but fails to report for work because he is ill. Even if the employer provides paid sick leave to the individual for that day, it will not be counted toward the 30 day requirement set forth in subsection (a).
- 4) Example: The individual receives paid sick leave from Company A, a nonprofit corporation which elects to make payments in lieu of contributions, for 35 days during his base period. He has no other employment with Company A during his base period. He also performs services during his base period for Company B, a liable, contributing employer. After being laid off by Company B, he returns to Company A for 30 days before being again laid off. Company A will be liable for an amount equal to 100% of the benefits paid to this individual as payments in lieu of contributions. This is because Company A is the last employer of this individual; the 30 day requirement is met by the individual's employment; and the paid sick leave constitutes wages for insured work paid during the individual's base period.
- 5) Example: Upon the permanent layoff of an individual, the employer pays that individual for any unused, accrued vacation time that the individual is due and grants him severance pay in the amount of one day's pay for each year of continuous service. These payments are not included for the purpose of determining whether this employer has met the 30 day requirement.
- c) If the last organization or person for whom the individual provided at least 30 days of service is not an employer, as defined by Section 205 of the Act, then no employer shall be the chargeable employer, and any benefit charges or payments in lieu of contributions which accrue as a result of benefits paid to the individual shall not become the benefit charges or the amounts due of any employer.
- 1) Example: An individual is employed during his entire base period for Company A, a liable, contributing employer. He then leaves Illinois and

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

obtains work in California for at least 30 days for an organization which is not liable under the Act. If this individual is laid off from his California job and files a claim against Illinois based on his Illinois base period wages, no employer shall be liable for any benefit charges for any benefit payments made to this individual. This is because the California organization is not an employer under the Act and, therefore, cannot be the chargeable employer under this Section.

- 2) Example: An individual is employed during his entire base period for Company A, a liable, contributing employer. After being laid off by Company A, he works for at least 30 days for the U. S. Postal Service, which is not an employer under the Act and for which reimbursement for any benefits paid is determined pursuant to Federal Regulations. He is then laid off by the Postal Service. If this individual files a claim for benefits, no employer shall be liable for any benefit charges for any benefit payments made to this individual. This is because the U. S. Postal Service is not an employer under the Act and, therefore, cannot be the chargeable employer under this Section.

- a) Notwithstanding any other provision of this Subpart, no employer shall be the chargeable employer of an individual who was either discharged for misconduct connected with the work or voluntarily left such employer without good cause or refused to accept an offer of or to apply for suitable work from that employer without good cause. Unless the next subsequent employing unit, if it is an employer under the Act and paid the individual an amount equal to his weekly benefit amount in each of four weeks after the beginning of the individual's benefit year, any payments which might result in benefit charges will be pooled and not charged to any employer. However, if the circumstances of the voluntary quit are those described in Section 601(B)(1) or Section 601(B)(2) of the Act, then, any payments which might result in benefit charges will become pooled costs and not be charged to any employer.

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

- 1) Example: The individual quits Company A where he was employed for at least 30 days. He then accepts employment with Company B where he works for two weeks and earns in excess of his weekly benefit amount. He is then laid off and files a claim for benefits. Pursuant to Section 601(B)(2) of the Act, this individual is not ineligible for benefits. However, if it is decided that the individual quit this job without good cause, no employer will be charged for the benefits paid to the individual. This is because the individual quit his job with Company A without good cause but under the circumstances described in Section 601(B)(2) of the Act.
- 2) Example: The individual is held to be ineligible for benefits by the claims adjudicator, Referee, Board of Review or court as a result of his discharge for misconduct by Company A, a liable, contributing employer. Thereafter, he returns to work and performs services for Company B, a liable, contributing employer, for three days per week for three weeks and is then laid off. However, he does earn an amount in excess of his weekly benefit amount in each of these weeks. He then performs services for Company C for one week and earns in excess of his weekly benefit amount before being laid off for lack of work. The individual is eligible for benefits because he met the qualification requirements of Section 602 of the Act. No employer will be the chargeable employer of this individual because he was discharged for misconduct connected with his work and because the next subsequent employing unit after his discharge did not pay him an amount equal to or in excess of his weekly benefit amount in each of four weeks.
- 3) Example: The individual is discharged from Company A, files a claim for benefits and is determined to be ineligible under Section 602 of the Act. He then returns to work for Company B, a liable, contributing employer, and earns in excess of his weekly benefit amount in each of four weeks. He is then laid off by Company B. Thereafter he is employed by Company C before being laid off. Company B will be this individual's

NOTICE OF ADOPTED AMENDMENTS

chargeable employer because it was the individual's single employer following his discharge for misconduct from Company A, is an employer under the Act, paid the individual an amount necessary to qualify for benefits and the requalification occurred after the beginning of the individual's benefit year.

- 4) Example: Assume the same facts as in subsection (d)(3) except that Company B discharged the individual for misconduct connected with his work. In this case, no employer will be the chargeable employer because Company B cannot be the chargeable employer of an individual if it discharged him for misconduct connected with his work and, though Company C was the individual's next subsequent employer following his discharge for misconduct from Company B and paid the individual the amount necessary to qualify for benefits and the requalification occurred after the beginning of the individual's benefit year, the disqualifying event occurred after the beginning of the individual's benefit year.

- 5) Example: Assume the same facts as in subsection (d)(3) except that Company B is not an employer under the Act. In this case, no employer will be charged as a result of any benefits paid to this individual. This is because the individual was discharged for misconduct connected with his work by Company A and earned an amount equal to or in excess of his weekly benefit amount in each of four weeks after the beginning of his benefit year from Company B, an organization which is not subject to the Act. However, because it is not an employer under the Act, it cannot be charged and, therefore, the charges will be pooled.

- 6) Example: An individual is employed by Company A for several months before being laid off for lack of work. The individual does not file a claim for benefits immediately but goes on vacation. When he returns from vacation, Company A offers the individual a suitable job which he refuses without good cause. However, during that same week, he is hired by Company B where he then works and earns in excess of his weekly benefit

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

amount in each of four weeks. When he is laid off by Company B, the individual files a claim for benefits and is not subject to disqualification for his refusal of work from Company A because he has had sufficient earning from Company B to purge any possible disqualification. Company A will not be charged for benefit charges which result from payments to this individual because the individual refused the Company's offer of suitable work without good cause. Company B will not be charged either because it paid this individual the amounts necessary to purge the possible disqualification before the beginning of the individual's benefit year. Therefore, in this case, no employer will be the chargeable employer, and the benefit charges will be pooled.

- e) If no employer meets the requirements of this Subpart to be the chargeable employer for the second of two consecutive benefit years but there was a chargeable employer for the first benefit year, that employer will be the chargeable employer for that second benefit year.

Example: The individual is discharged for misconduct connected with his work by Company A, files a claim for benefits and is held ineligible pursuant to Section 602 of the Act. He then returns to work for Company B, a liable and contributing employer, and earns an amount equal to or in excess of his current weekly benefit amount in each of four calendar weeks, which is sufficient to requalify for benefits. He is then laid off by Company B and is now eligible for benefits. Under these circumstances, Company B will be charged for any benefit charges which accrue because it was the single employer which paid the individual the amount necessary to requalify for benefits and the requalification occurred after the beginning of the individual's benefit year. If this individual later files a second benefit year claim, Company B did not employ the individual for at least 30 days and paid the amount necessary for the individual to requalify prior to the beginning of the second benefit year. However, Company B will be the chargeable employer because there is no other employer that meets the requirements for chargeability and because it was the chargeable

employer for the individual's first benefit year.

- f) Notice that a claim for benefits has been filed will be sent by the Agency to every employing unit for whom the individual provided services, subsequent to the services provided to the chargeable employer, prior to the beginning of the individual's benefit year.

Section 2765.326 Requirement For A Separation Or A Reduction In The Work Offered In Determining The Chargeable Employer Pursuant To Section 1502.1 Of The Act

There must be either a separation from the employer or a reduction in the work offered which causes the individual to become unemployed, as defined in Section 239 of the Act, for the employer to be the chargeable employer under Section 1502.1 of the Act.

Example: For six months, an individual is employed on a full time basis for Company A and, at the same time, works part time for Company B, both liable, contributing employers. The individual is laid off by Company A but does not have sufficient base period earnings to immediately file a valid claim for unemployment benefits. He remains employed on a less than full time basis by Company B for several months until the base periods change. He now meets the requirements of Section 500E of the Act for establishing a valid claim based on his base period earnings from both Company A and Company B. If the individual continues to work, without a reduction in the work offered by Company B and earns less than his weekly benefit amount, even though he has not worked for Company A for several months, Company A will be held to be liable for any benefit charges which might accrue as a result of benefit payments to this individual. This is because Company B, while it meets the 30 day requirement, did not cause the individual to become unemployed because it neither caused his separation nor reduced the work offered to him.

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

Section 2765.332 Effect Of Ineligibility Under Section 602(B) On Chargeability Under Section 1502.1 Of The Act

Pursuant to Section 602(B) of the Act, whenever it is determined that an individual has been discharged for the commission of a felony or theft connected with his work and that the employer has met certain conditions set forth in that subsection of the Act, all wages earned by the individual prior to the date of discharge shall be cancelled, thus making the individual ineligible for benefits on the basis on such wages. An employer cannot be the chargeable employer pursuant to this Subpart on the basis of wages earned prior to the date of the discharge. However, if that employer were to reemploy the individual after the date of discharge, such employer could be the individual's chargeable employer pursuant to this subpart if the requirements of the Subpart are met based only on the period of employment following the date of the discharge for the felony or theft.

(Source: Added at 13 Ill. Reg. 17410, effective Oct. 30, 1989)

Section 2765.333 Effect Of Ineligibility Under Section 612 On Chargeability Under Section 1502.1 Of The Act

Whenever the individual's last employer is an educational institution or is an educational service agency, then such educational institution or educational service agency shall not be liable for benefit charges on the basis of benefits paid to that individual during the period between two consecutive academic years or terms if such individual has a reasonable assurance that he will perform service in any capacity for any educational institution or educational service agency in the second of such academic years or terms. In such instances, it is not necessary that the individual be ineligible under Section 612 of the Act if Section 612 would have applied if the individual had had wages from an educational institution or educational service agency during his base period. This Section shall also apply to payments in lieu of contributions.

- a) Example: An individual is employed as a teacher for a public school. However, during his base period, he earned sufficient wages from a non-educational employer to qualify for benefits. If this individual is held to be ineligible during a period between academic terms on the basis of his wages from the public school, he could still qualify for benefits based on his wages from the non-educational employer. Even if the public school

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

would otherwise be the individual's last employer pursuant to this Subpart, the public school will not be liable for any benefit charges which might accrue as a result of payments to that individual during his period of ineligibility under Section 612 of the Act.

- b) Example: The individual is employed by a private employer during his entire base period. Thereafter he obtains work as a teacher for a public school. When he is off of work during the summer, the individual applies for unemployment insurance benefits. If this individual has a reasonable assurance in the second academic year or term, then the public school is the last employer during this period, but it will not be liable for any benefit charges or payments in lieu of contributions which might accrue as the result of payments made to this individual. In such case, any benefit charges will be pooled.

(Source: Added at 13 Ill. Reg. 17410, effective Oct. 30, 1989)

Section 2765.334 Effect Of Ineligibility Under Section 614 On Chargeability Under Section 1502.1 Of The Act

Pursuant to Section 614 of the Act, an individual shall be ineligible, on the basis of wages earned during his base period unless he was either lawfully admitted to this country for permanent residence or otherwise was permanently residing in this country under color of law. Because this ineligibility could affect some, but not all, of the individual's base period wages, it is possible that the individual could be held ineligible under Section 614 of the Act but still qualify for benefits based on base period wages paid after he was either lawfully admitted to this country for permanent residence or otherwise was permanently residing in this country under color of law. In determining whether an employer is the individual's chargeable employer under this Subpart, no day on which the individual was not either lawfully admitted to this country for permanent residence or otherwise was permanently residing in this country under color of law will be counted in determining whether the individual was employed by the employer for at least 30 days.

Example: The individual applied for and was granted permanent resident status on July 1, 1988. He worked for Company A, a liable, contributing employer, continuously from January 1, 1988, to the date of his separa-

tion on May 1, 1989. His base period began on January 1, 1988. Under Section 614 of the Act, the individual is not eligible for benefits based on the wages paid prior to July 1, 1988, because he was not either lawfully admitted to this country for permanent residence or otherwise was permanently residing in this country under color of law during this time. However, he might still be eligible for benefits based on his earnings during the third and fourth quarters of 1988. Company A will be the individual's chargeable employer under this Subpart because, even not counting the days of employment from January 1, 1988 to June 30, 1988, the individual was employed by Company A for 30 days from the beginning of his base period to the beginning of his claim for unemployment insurance benefits.

Section 2765.335 Procedural Requirements And Right Of Appeal

- a) Pursuant to Section 701 of the Act, whenever the Claims Adjudicator decides that an employer is the "last employer" (employer subject to benefit charges or payments in lieu of contributions) as provided in this Subpart, he shall promptly notify the employer of this decision.
- b) If the employer disagrees with the decision of the claims adjudicator that he is the "last employer," the employer must file a written request for reconsideration of this decision within 10 days of the date of mailing of the decision.
- c) A request for reconsideration of the decision of the claims adjudicator must comply with the requirements of 56 Ill. Adm. Code 2720.130 and specify the full name and social security number of the individual and the reasons why the employer believes that it is not the chargeable employer under this Subpart.
- d) After reviewing the allegations of the employer and any other relevant facts in the record, the claims adjudicator shall issue a reconsidered decision. If the employer disagrees with the reconsidered decision of the claims adjudicator that he is the chargeable employer, the employer must file a written appeal of this reconsidered decision within 30 days of the date of mailing of

DEPARTMENT OF EMPLOYMENT SECURITY

NOTICE OF ADOPTED AMENDMENTS

the reconsidered decision or that reconsidered decision will become final.

- e) An Application made pursuant to Section 1508 of the Act and 56 Ill. Adm. Code 2725.100 regarding revision of the "Statement of Benefit Charges," which includes benefit charges which the employer believes are incorrect because it is not the chargeable employer shall be sufficient only if such Application contains a reference to and a copy of the decision which reverses the claims adjudicator and holds that the employer is not the chargeable employer. These same requirements must be met by an employer which is questioning payments in lieu of contributions on its "Statement of Amount Due for Benefits Paid."
- f) Unless the employer has filed a timely request for reconsideration of the decision that the claims adjudicator has found it to be the chargeable employer, pursuant to this Subpart, such employer shall not be entitled to a revision of its "Statement of Benefit Charges" under 56 Ill. The Notice of Recodification was published in the Register at 13 Ill. Reg. 5945 (April 28, 1989). Additionally, at the recommendation of JCAR, the Agency has added a note to the end of Section 858.207 which helps clarify the term "gate-yard capacity".

NOTICE OF ADOPTED AMENDMENTS

- 12) Have all the changes agreed upon by the Agency and JCAR been made as indicated in the agreement letter issued by JCAR? Yes
- 13) Will this amendment replace an emergency amendment currently in effect? No
- 14) Are there any amendments pending on this Part? No
- 15) Summary and Purpose of Amendments?

The Environmental Protection Act ("Act") prescribes an annual fee which landfills must pay. The amount of the fee is a function of the amount of waste deposited at a landfill. The Act requires that the Agency promulgate rules relating to the calculations of the fee and to the procedures for fee payment. This rulemaking amends Part 858 to incorporate recent amendments to the Act.

Section 858.101 Applicability

The regulations of this Part apply to OWNERS AND OPERATORS OF SANITARY LANDFILLS PERMITTED OR REQUIRED TO BE PERMITTED BY THE AGENCY TO PERMANENTLY DISPOSE OF SOLID WASTE IF THE SANITARY LANDFILL IS LOCATED OFF THE SITE WHERE SUCH WASTE WAS PRODUCED AND IF SUCH SANITARY LANDFILL IS OWNED, CONTROLLED AND OPERATED BY A PERSON OTHER THAN THE GENERATOR OF SUCH WASTE (Section 22.145(b) of the Environmental Protection Act (Act) (Ill. Rev. Stat. 1988 Supp., ch. 111 1/2, par. 1022.15(b))).

Section 858.103 Exemptions from Fee System

a) The fee payment provisions set forth in Subpart D shall not apply to:

- 1) SOLID WASTE WHICH IS HAZARDOUS WASTE;
- 2) ANY LANDFILL WHICH IS PERMITTED BY THE AGENCY TO RECEIVE ONLY DEMOLITION OR CONSTRUCTION DEBRIS OR LANDSCAPE WASTE; OR
- 3) THE FOLLOWING WASTES:

 WASTES REUSABLE, PROVIDED THAT THE PROCESS RENDERS AT LEAST
 50% OF THE WASTE REUSABLE;

F) NON-HAZARDOUS SOLID WASTE THAT IS RECEIVED AT A SANITARY
 LANDFILL AND COMPOSTED OR RECYCLED THROUGH A PROCESS
 PERMITTED BY THE AGENCY; (Section 22.145(ek) of the Act)

4) Wastes received permanently disposed at a sanitary landfill owned,

 documentation substantiating that each of the statutory criteria for
 exemption has been met.

c) For purposes of this Section, a waste is a "pollution control waste"
 rather than an "industrial process waste" if it is a non-hazardous
 special waste resulting from operation of a pollution control device
 authorized or permitted pursuant to any state or federal law or any
 standards or regulations thereunder.

Section 858.107 Landfills Maintaining Records under Subparts B and C

Under Section 22.145 of the Act, for a sanitary landfill receiving less than
 150,000 cubic yards per calendar year, the fee is intended to be based on
 cubic yards of waste received instead of the quantity (weight) of waste
 weighed. For sanitary landfills which weigh the quantity of waste received
 but are unsure of whether they will receive more than 150,000 cubic yards in
 a calendar year, the Agency advises that records be maintained in accordance
 with both Subparts B and C. Unless records are maintained under Subpart C a
 landfill weighing the quantity of waste received will not be able to take

advantage of the lower rates available for sanitary landfills receiving less than 150,000 cubic yards per calendar year. In addition, for those landfills receiving more than 150,000 cubic yards per calendar year, unless records are maintained under both Subparts B and C, there will be no means by which to determine which of the two rates (45-cents\$0.60 per cubic yard or 96cents\$1.27 per ton) yields the lower net fee.

SUBPART B: PROCEDURES FOR MAINTAINING RECORDS WHERE
THE QUANTITY OF WASTE HAS BEEN WEIGHTED

Section 858.201 Applicability

The requirements of this Subpart apply to sanitary landfills where THE OWNER OR OPERATOR WEIGHS THE QUANTITY OF SOLID WASTE RECEIVED WITH A DEVICE FOR WHICH CERTIFICATION HAS BEEN OBTAINED UNDER THE WEIGHTS AND MEASURES ACT (Ill. Rev. Stat. 1985, ch. 147, pars. 101 et seq.) (Section 22.145(b)(1) of the Act).

Section 858.202 Records

- a) The operator of a sanitary landfill shall keep a record of solid waste received at the landfill. The operator shall keep the following records:

- 1) Daily Solid Waste Record;
 - 2) Monthly Solid Waste Record; and
 - 23) Quarterly Solid Waste Summary, and
 - 3) Supplemental-Solid-Waste-Record.
- b) Each Monthly Solid Waste Record and Quarterly Solid Waste Summary and each Supplemental-Solid-Waste-Record submitted to the Agency shall be in a form as prescribed by the Agency.

SUBPART D: PROCEDURES FOR PAYMENT OF FEES

Section 858.401

Quarterly Submission of Payment

- a) Payment of the fee due under Section 22.145 of the Act shall be made on a quarterly basis with the submission of the Quarterly Solid Waste Summary. Such payment shall be received by the Agency on or before April 15, July 15, October 15 and January 15 of each year and shall cover the three calendar months preceding the receipt date.
- b) For sanitary landfills subject to Subpart B, the fee payment due shall be calculated by multiplying the quantity of solid waste received in tons weighed which are subject to the fee payment provisions as reported on the Quarterly Solid Waste Summary times the applicable rate in Section 22.145 of the Act.
- c) For sanitary landfills subject to Subpart C, the fee payment due shall be calculated as follows unless otherwise calculated pursuant to subsection (q):

- 1) For payments due on April 15, July 15 and October 15:

- A) Since the fee schedule is based on amount of cubic yards, if both tons and cubic yards are reported, the quantity of solid waste permanently disposed in tons weighed shall be converted to cubic yards. Use the total cubic yards amount (the cubic yard quantity received plus the corrected tons) to determine the applicable fee. The solid waste measured

in tons subject to Subpart B should be converted to cubic yards using either an Agency standard rate of 3.3 cubic yards-to-ton conversion ratio or the site's actual rate that best reflects the site's conversion ratio. After determining the cubic yard quantity of waste subject-to-fee, Multiply the quantity of solid waste subject to the fee payment provisions as reported on the Quarterly Solid Waste Summary for the preceding three calendar months by 4.

- B) Based on subsection (A), determine the applicable category under Section 22.145 of the Act.

- C) Based on subsection (B), divide the annual fee by 4.

- 2) For payments due January 15:

- A) Based on the quantity ~~received~~ permanently disposed during the previous calendar year determine the applicable category under Section 22.145 of the Act.

- B) Subtract the amount paid for the first, second and third quarters from the annual fee determined under (A).

- d) If the calculation of fees under this Section results in an overpayment, the Agency shall credit this overpayment against fees due during the subsequent calendar year.

e)

- 1) Each sanitary landfill shall notify the Agency by January 15 if it intends to cease receipt of waste during the calendar year. The notification shall include:

- A) The date by which waste will cease to be received; and

- B) A fee payment schedule to assure submission of fees in accordance with Section 22.145 of the Act.

- 2) The Agency shall review the fee payment schedule to determine if it will result in an underpayment or overpayment and will notify the operator within 30 days of any deficiencies or overpayments under the schedule.

f)

- 1) Each sanitary landfill which intends to begin receipt of waste shall notify the Agency no less than 90 days prior to beginning the receipt of waste. The notification shall include:

ENVIRONMENTAL PROTECTION AGENCY

NOTICE OF ADOPTED AMENDMENTS

- A) The data by which waste will begin to be received; and
- B) A fee payment schedule to assure submission of fees in accordance with Section 22.145 of the Act.
- 2) The Agency shall review the fee payment schedule to determine if it will result in an underpayment or overpayment and will notify the operator within 30 days of any deficiencies or overpayments under the schedule.
- g) The fee payment due January 15 shall be determined, in all cases, pursuant to paragraph (c)(2) of this Section; however, the fee payment due on April 15, July 15 and October 15 for landfills subject to Subpart C may be calculated as follows, provided that the owner or operator has demonstrated that calculating such fee payments according to the subsection (c)(1) will result in an overpayment, and provided that the owner or operator has applied in writing for Agency approval of an alternative fee payment schedule pursuant to this subsection by February 1 of each year which application has not been denied by March 30:

- 1) Utilizing historical or other relevant area - or facility-specific data, estimate the annual volume of wastes subject to the fees imposed under this Section which will be received at the site;
- 2) Determine the appropriate annual fee for such estimated volume of wastes pursuant to Section 22.145 of the Act;
- 3) At the end of each of the first 3 quarters of the calendar year, divide the actual volume of waste received during that quarter subject to the fees imposed under this Section by the annual waste volume estimated pursuant to paragraph (1);
- 4) Multiply the result of (3) by the annual fee determination pursuant to paragraph (2); the product of this step is the appropriate fee payment for the quarter;

Agency-Note AGENCY NOTE: The purpose of this subparagraph (g) is to allow owners or operators of landfills receiving widely fluctuating cyclical quarterly waste volumes (e.g., landfills whose operations are subject to seasonal variations in waste volumes received) to prevent extreme overpayments or underpayments for the first three quarters of each year. Extreme overpayments are the greater concern, inasmuch as the Agency is empowered only to grant credits against the next year's fee obligation; refunds of excess payment are not authorized.

Section 700.30 Scope of Science Education Scholarship Program

- a) The Science Education Scholarship Program includes scholarships and grants for special study and education projects designed to enhance the study of and body of expertise in those sciences pertaining to nuclear safety and related fields.
- b) Under the scholarship program the Department shall, in accordance with the provisions of this Part, award fully funded college scholarships. The Department's scholarships will pay the scholars for educational expenses associated with attending a public institution of higher education. Expenses paid by the Department shall be limited to tuition and fees, room and board, required books, and miscellaneous expenses (e.g. travel, daily expenses, etc.). Miscellaneous expenses will be limited to \$200 dollars per month. If a scholar chooses to live off campus, the scholarship will provide room and board funds only up to that amount assessed for on campus room and board by the public institution of higher education that the scholar will be attending. If the public institution of higher education that the scholar will be attending does not provide room and board, the Department will provide room and board funds only up to that amount estimated by the public institution of higher education as being a reasonable estimate for off campus room and board. In the event that no such reasonable estimate is provided to the Department, the Department will determine, by consulting other area institutions of higher education, and provide a reasonable sum per semester towards room and board.
- c) In order to promote greater understanding of the role of the administrative agency in assuring radiation safety, the Director also may offer temporary or part-time employment with the Department to scholars.

Section 700.40 Qualification Criteria

- a) Basic Eligibility Requirements. The applicant must:

- 1) be an Illinois resident at the time of application; and
- 2) be accepted by or enrolled in a public institution of higher education as a full-time student, in an eligible program of study. The program of study must have direct application to the fields of endeavor of the Department (e.g. radiation protection, environmental monitoring, health physics).

b) Academic qualifications:

- 1) If the applicant is a high school senior, the applicant must:
 - A) be recommended by his or her science department director and high school principal,
 - B) be in the upper 20% academically of his or her graduating class, and
 - C) have displayed an interest in, and acumen for, the physical or biological sciences. This display may take the form, for example, of academic achievement, participation in science fairs, pursuing science courses at community colleges, performing independent extracurricular research, etc.
- 2) If the applicant is an undergraduate student, the applicant must:
 - A) be enrolled in an eligible program of study,
 - B) be recommended for the award by the dean or chairman of the science department in which the applicant is pursuing an eligible program of study, and
 - C) have an overall academic average of B or better and an overall average of B or better in the science department courses.
- 3) If the applicant is a graduate student, the applicant must:
 - A) be recommended for the award by the dean or chairman of the science department in which the applicant is pursuing an eligible program of study,

- B) have or have graduated with an overall academic average of B or better and an overall average of B+ or better in the science department courses, and
- C) describe the relevance of his proposed research program to either the statutory duties of the Department or the contribution of the proposed program to the body of knowledge of radiation safety.

Section 700.50 Conditions of Award

The applicant must agree in writing to the following conditions:

- a) The scholar will not change his or her choice of college or program of study without first obtaining the approval of the Director.
- b) If the scholar withdraws from, is dismissed from, or fails to continue to pursue an eligible program of study, the scholarship will be withdrawn and the scholar shall repay the State of Illinois in full for all expenses paid to that date in connection with the scholarship. Repayment shall be in accordance with the provisions of subsection (d).

AGENCY NOTE: A scholar whose permanent residence changes from Illinois to another State, after selection for the scholarship program, will continue to be eligible for continuation in the scholarship program so long as the scholar continues to pursue an eligible program of study at an Illinois institution of higher education and meets the scholastic standards specified in this Part.

- c) If the scholar is an undergraduate student, the scholar must maintain both a cumulative average in all subjects of B and an average of B or better in the science department program of study. If the scholar is a graduate student, he must maintain a cumulative average of B+ or better. Averages shall be evaluated at the end of each regular grading period of the public institution of higher education. If the scholar fails to maintain these academic standards, the scholarship will be withdrawn and the scholar shall be responsible for repaying the State of Illinois in full for all expenses paid to the scholar in connection with the scholarship up to the date of withdrawal of the scholarship. A scholar who fails to maintain the required average in all subjects or in the eligible program of study, evaluated at the end of each grading period, may submit a letter to the Director requesting to be granted probationary status for one grading period in order to raise his or her grades to the required level. The Director will grant such request if the scholar has shown that the

failure to attain the required averages resulted from good cause, e.g., illness, family responsibilities, etc. Failure to attain the required cumulative averages at the end of the probationary period will result in the loss of the scholarship and the scholar will be required to repay the State of Illinois in full for all expenses paid in connection with the scholarship to the date of withdrawal of the scholarship. Such repayment shall be in accordance with the provisions of subsection (d).

- d) If the scholar is required to repay the scholarship because the scholarship is withdrawn (see subsection (b)) or because the scholar has failed to maintain the required cumulative grade averages (see subsection (c)) the repayment shall be made in equal monthly installments over a period of ten years at ten percent simple interest. There shall be no early repayment penalty. The first repayment shall be due on a date specified by the Director, which date shall be no earlier than twelve (12) months after the scholar has ceased to be enrolled as a full-time student in a public institution of higher education.
- e) If such employment is offered, scholars that graduate without having the scholarship withdrawn must agree to accept employment, upon graduation, with the Department, the operator of a regional facility for the disposal of low-level radioactive waste in Illinois, or a public utility owning or operating a nuclear power plant in Illinois. Mandatory employment shall be for a period of one calendar year for each academic year of scholarship period accepted. Partial academic years shall be prorated. If employment with the Department, the low-level radioactive waste disposal facility or a nuclear power utility is not offered at least 30 days prior to graduation, the applicant is under no obligation to accept employment with the Department, the operator of a regional facility for disposal of low-level radioactive waste, or a public utility or to repay the scholarship expenses. Fulfillment of the employment obligation may be deferred during any period in which the scholar participates in full-time graduate studies leading towards an advanced degree.
- f) If the scholar completes the program but refuses to accept offered employment with the Department, the operator of a regional facility for the disposal of low-level radioactive waste in Illinois, or a public utility owning or operating a nuclear power plant in Illinois, he or she is required to repay the State of Illinois in full for all expenses paid by the Department in connection with the scholarship. If the scholar terminates employment, for any reason other than to pursue full-time graduate studies, or if the scholar has his or her

employment terminated for cause prior to completion of the mandatory employment period, he or she is required to repay the State of Illinois in full for all expenses associated with the scholarship, prorated for the unexpired mandatory employment period. If the scholar is required to repay the scholarship under this section, the repayment shall be made in equal monthly installments over a period of two years at ten percent simple interest. There shall be no penalty for early payment. If termination by the employer is other than for cause, the scholar shall be under no obligation to repay the scholarship expenses.

Section 700.60 Scholarship Application and Selection Process

- 4) Reference to the Specific State or Federal Court Order, Federal Rule or Statute Which Requires this Peremptory Rulemaking: The Meat and Poultry Inspection Act (Ill. Rev. Stat. 1987, ch. 56 1/2, par. 316); the Federal Meat Inspection Act (21 U.S.C.A. 661); 54 FR 43041 (1989).
- 5) Statutory Authority: The Meat and Poultry Inspection Act (Ill. Rev. Stat. 1987, ch. 56 1/2, par. 316)
- 6) Effective Date: January 18, 1990
- 7) A Complete Description of the Subjects and Issues Involved:

In order to maintain an "equal to" status with the federal meat inspection program as required by the Federal Meat Inspection Act, and in compliance with Section 16 of The Meat and Poultry Inspection Act, changes in the federal rules relative to meat inspection are hereby adopted.

Part 318 of the Federal Meat Inspection regulations has been amended to adopt changes in the Federal meat inspection regulations to prohibit the use of nitrate in the preparation of immersion cured bacon and dry cured bacon. The amendments also limit sodium nitrite to 120 parts per million (ppm) going into immersion cured bacon bellies and to 200 ppm going into dry cured bacon bellies. The principal effect of this rule is to reduce the possible formation of nitrosamines in bacon by prohibiting the use of nitrate and limiting the use of nitrite in the production of immersion cured and dry cured bacon. Massaged bacon, a new product which is similar to pumped bacon, will be regulated like pumped bacon, for which the use of nitrate is already prohibited. The amendments also correct two typographical errors in Section 318.7(c)(4) concerning the quantitation of nitrite in cured products.

- 8) Does this rulemaking contain an automatic repeal date? No
- 9) Date Filed in Agency's Principal Office: October 25, 1989
- 10) This rule is in compliance with Section 5.03 of the Illinois Administrative Procedure Act.

- 5) Date JCAR Statement of Objection Published in the Register:
13 Ill. Reg. 15883, October 6, 1989
- 6) Summary of Action Taken by the Agency:

At its September 21, 1989, meeting, the Joint Committee on Administrative Rules (JCAR) issued an objection to the above referenced rulemaking. JCAR objected to the rule because it believes that the Department of Nuclear Safety has exceeded its statutory authority by requiring a scholarship recipient to repay scholarship expenses under conditions not specified in Sections 7 and 8 of the Nuclear Safety Education Assistance Act.

Section 4(a) of the Act delegates to the Department the power to adopt procedures governing application for award of grants and scholarships. Sections 5 and 6 of the Act give the Director authority to develop criteria for approving programs of study and for awarding of scholarships. The Department contends that these grants of authority are sufficient to support the requirement that scholarship awards be repaid if a recipient fails to meet the conditions of the award. Therefore, the Department refuses to withdraw or modify Section 700.50 of the rule.

In addition to issuing an objection, at the September 21, 1989, meeting, JCAR issued a recommendation that the Department seek legislation specifically authorizing it to require repayment of scholarship awards under certain conditions. To address the concerns expressed by the Joint Committee, the Department will follow the Committee's recommendation and seek express statutory authority from the General Assembly to require the repayment of scholarship awards.

The Sections Affected Index lists, by Title, each Section of a codified Part on which rulemaking activity has occurred in this volume of the Register and is divided into two parts: the first lists the Sections on which rulemaking activity occurred in the previous issues of this volume year; the second lists the Sections on which rulemaking activity occurred in this issue of the Register. (The headings at the top of each page indicate the two parts: the first part shows the previous issue numbers inclusively and the date of the last published issue; the second lists the current issue number and date.) The columns in both parts indicate the type of rulemaking activity and the action taken along with the page number on which the first page of the notice of rulemaking activity appeared. If a Section on which action is being taken in the current volume (calendar year) of the Register was proposed in a previous volume, the last two digits of the previous volume's year appear immediately after the page number separated by a slash. (e.g. 1 Ill. Adm. Code 100.280 was proposed last year and adopted this year. The action entry reads: (P-8577/86; A-724)). The codes for both columns are listed below. For a complete listing of the Titles of the *Illinois Administrative Code*, please refer to 1 Ill. Adm. Code 100.140 or contact the Administrative Code Division.
